

Cedar Park High School Timberwolf Band

Move and Inspire!

Fill Up with Music and Barbecue

It's time again to reserve your own concert from the Cedar Park High School Band and have some barbecue to boot.

March-A-Thon steps through Cedar Park from 9 a.m. to 1 p.m. on Saturday August 7. It's not an all day event this year because of the added attraction of a great barbecue lunch and concert for the entire Cedar Park Community and beyond.

This year thanks to our sponsor, Smokey Moe's BBQ, you can have lunch at the Cedar Park High School cafeteria or take home a plate to go from 11 a.m. to 2p.m. If you stick around, the band will give a concert around 1 p.m. to end this year's March-A-Thon.

If you know a band student, he/she will have tickets to sell or you can email marchathon@cphsband.org.

If you live along the route in the Twin Creeks Country Club, Deer Creek, Ranch at Deer Creek, and Ranch at Cypress Creek neighborhoods, you can have a personal concert by the band right in your front yard. It is truly an experience to hear and feel the power of the Cedar Park High School Band up close and personal.

All of the information is available on the band's website, www.cphsband.org. You can also email marchathon@cphsband.org or director Steve Wessels directly at steve.wessels@leanderisd.org for information on how to schedule your very own concert. The Band is raising money to compete in Indianapolis at the Band's of America Grand National Championships.
