Dear \_\_\_\_\_

*The Cedar Park Band Boosters would like to thank you for your donation toward the Silent Auction Scholarship Fund. It is through the generosity of community members like each of you that we are able to offer financial scholarships to outstanding band seniors each year, helping them to further their education. Band membership requires dedication and countless hours of hard work and we are pleased to be able to reward their efforts in this tangible way.*

*Donations to the Cedar Park Band Boosters are exempt from Federal Income Tax under Section 501c(3) of the Internal Revenue Code. The Cedar Park Band Boosters have not provided any goods and services for this donation. Please keep this for your tax records. No goods or services from the Band organization were received for this donation.*

*Thank you again for being part of the great family of friends of the Cedar Park Band Boosters. On behalf of the young adults we serve, thank you for your gift.*
