

Pit-Pack

The 2008 CPHS Band season is upon us!

This fall's band season includes ten plus football game performances, 5 marching contests, UIL competitions and more. Whether at home or away,

every time the band moves or performs, they need our help. Pit-Pack works with the student load crew to get the band trailer loaded and unloaded every trip, and, more importantly, we help move equipment for the front ensemble section of the band on and off the field for each performance.

It's light-duty but much needed work, and a great way to get to know both the band students and other band parents. The nature of the job requires that we have about a dozen people for each performance, so I've made up a tentative schedule for the first half of the season from the list of those who have volunteered to help this year.

Please take a look at your assignment(s) below, and let me know if you have a problem with a specific assignment. We typically have plenty of help, but I need to make sure that we will have sufficient volunteers available for each performance, especially contests.

On game-night dates where you'll be helping us, please meet at CPHS (by the band trailer) between 4:30pm and 5:00pm to get a field pass for the game and to help with the trailer load. Pit-Pack parents usually car-pool to the game, so it's a great place to catch a ride as well. If your schedule won't allow you to join us that early, you may meet us at the game location instead near wherever the CPHS trailer is parked - just let me know.

Sept. 5th, Temple at AC Bible

Carlos Araguz	Iain Geddie
Bobby Bradford	Richard Hatheway
Sue Bradford	Angela Hatheway
David Cook	Brian Kroeker
Andrew Dettling	Sande Powledge
Grant Eckert	Mike Shaw

Sept. 12th, at Lake Travis

Dennis Blaine	Sande Powledge
Joe Calarco	Daryl Sartain
