From the Prez....

As I sit down to write this, I am truly amazed at all that has taken place in these past few weeks. Our kids survived summer band camp, cooled off at the pool party, tackled the Wolf Blitz, started school and still managed to stay up all night at the lock-in. We are definitely off and running!

Let's not forget what has been going on behind the scenes. Thanks to Adriann Ivey and our wonderful Hospitality crew, our kids have definitely not gone hungry this summer. Paula McKay and her crew have been extremely busy cutting and sewing away on the Colorguard flags. Kerry Kirkwood has been working on the trailer doing minor repairs and installing fans to keep our loading crew cool and safe. Jennie Lenz has been hard at work with her volunteers making sure our kids look good in their uniforms. You can only imagine how busy we have kept our Secretary, Julie Epperson. Not only is she responsible for the minutes at the Booster and

Guard News

Thank you to all of the parents who have contributed to our massive flag sewing enterprise. It may take a village to raise a child, but it takes a whole lot of band parents to create all of the flags for this year's show. Kuddos to Paula McKay who is heading up this gargantuan effort. All the work will pay off when we see the beautiful flags on the field.

Guard Director

Percussion News

The Percussion will attend two drumline contests in addition to their band contests. We would like to let everyone know about them and would love to have people come out and support us. The two dates and locations are:

1. "The Central Texas Drumline Invitational" at Belton High School will take place on September 18th.
2. "The Lonestar Classic Drumline Invitational" at Marcus High School (Dallas) will take place on November 6th.

For more information, contact me at 435-8496.

Manuel "Manny" Maldonado
Percussion Director

Chaperones

The efforts of the volunteer chaperones enable the directors and students to give their full attention to their performance. The first month's game assignments are listed below. Please remember:

- If you are unable to work a game, please contact Carla Kirkwood now, or as early as possible if something comes up, so a replacement can be scheduled. Do not send a replacement in your place.
- Only experienced game chaperones will be asked to chaperone at contests!
- Final confirmation and specific game information will be made 7 to 10 days before events. If you do not return phone calls or emails, it will be assumed that you cannot make it and a replacement will be scheduled.
- a volunteer application (the one that the school district receives) must be on file if you plan to chaperone. If it is not on file, you cannot chaperone.
- Carla Kirkwood's email is kkirkwood@ev1.net and her phone number is 219-7623.

.....From the Prez (continued from page 1)

Executive Board Meetings, Julie is putting together our student directory. Our VP, Carla Kirkwood, has been busy planning chaperones for the upcoming games and made sure that we had chaperones for the lock-in. Many thanks to those chaperones brave enough to show-up! Our Past President, Janet Parks was kind enough to plan and arrange volunteers for the Teacher Breakfast. Thanks to those many volunteers, it's never a bad idea to be kind to teachers. Our Treasurers, Rick and Jane Lozano and our Treasurers Elect, Randy and Kathy Britton, have been extremely busy with registration, expenses, budget and endless meetings. Basically, they are buried in paperwork. Karen Faulkner, our Historian, is already busy planning senior night. Patsy Rede-Griffith and Jan Claeys, our Activities Chairs, have the challenging job of planning and implementing fundraisers. (Pick up your Passbooks!) They also make sure we have Spirit Items to support our Band and manage the Med Tent volunteers. Without David and Mary Schlosser, Communications, you would not be reading this and you would not get all of those updates on the list-serve.

As you can see, while the Executive Board has accomplished quite a bit, we would not be able to do this without all of you. Every band booster is an important part of this team. There are so many ways to be involved. If you have not signed up to help with any of the committees, it's not too late! The phone numbers are on the back page of every Howler. If you are not sure which committee you want to be involved in, pick one and give it a try. For Mike and me, this has been a great way to stay involved in our teenager's life and to be a part of an even bigger family.

On a final note, I would like to remind everyone about the September 7th Booster meeting. This one is a very fun and exciting meeting (and short) since you will have the opportunity to join the kids on the marching field!

Mike and Leslie Greer, Booster Presidents
